ABOUT OUR “DISTILLERIES”

STAG Infra proudly executed the complete construction of the Ajitgarh Distillery in Rajasthan, delivering a large-scale, high-performance industrial facility. From civil structures to mechanical and utility systems, every component was built with precision, durability, and efficiency in mind.

The plant includes a robust foundation, integrated utility infrastructure, a multi-fuel steam boiler system, and a captive power unit—engineered to ensure long-term reliability. We also implemented advanced pollution control and a zero-liquid-discharge setup, all constructed in full compliance with environmental regulations. This project stands as a testament to STAG Infra’s commitment to quality, safety, and timely delivery.

ABOUT COMPANY

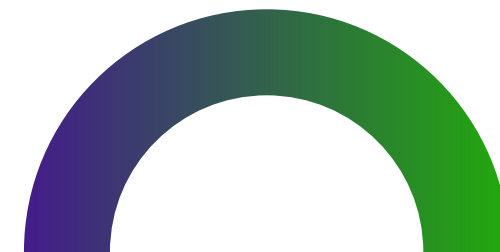

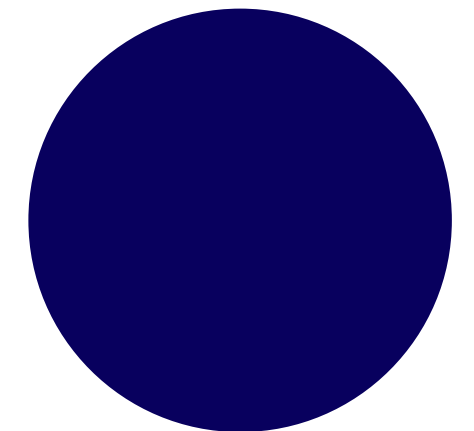

Formerly known as **S.K CONSTRUCTION** now **STAG INFRA PROJECTS Pvt. Ltd.** brings over 30 years of excellence in infrastructure development. We specialize in Industrial Plants, Hotels & Water Parks, Hospitals, Residential Buildings, and Highways. Our commitment to quality, innovation, and timely delivery has made us a trusted name in shaping India's modern infrastructure landscape. Our operations are primarily structured into four major domains:

- **EPC and Project Management** services across Roads & Highways, Industrial Plants, Hotel & Water Parks, Hospitals, Residential Buildings.
- **Design, development, and maintenance** of industrial plants, including production facilities, warehouses, and utility infrastructure under EPC and turnkey models.
- **Manufacturing** and supply of industrial-grade components such as structural steel, piping systems, control panels, and safety equipment.
- **Structural Fabrication** of galvanized crash barriers and OHE masts for railway electrification.

MAHENDRA RAJWANIYA

CEO STAG INFRA

“Our vision is to lead with integrity, innovate continuously, and deliver infrastructure that enriches lives. We aim to set new benchmarks in quality and sustainability, shaping a future where our work positively impacts generations to come.”

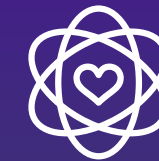

VISION

To leave India's footprints in the global infrastructure industry, backed by world-class performance and operational excellence.

To build our position among the **most admired infrastructure** companies in India.

Become a **best-in-class service provider globally**.

VALUE

Care and Commitment – We care deeply about our people and partners.

Being Responsible – We focus on quality, safety, and trust in all we do.

Connected to our Roots – We stay humble and respectful at every step.

Being Agile – We adapt quickly and handle change with ease.

MISSION

Maintain high standards of **precision, quality and punctuality**.

Preserving **nature and enriching the lives of the public at large**.

Setting new benchmarks in resource **utilization and efficiency**.

Focus on being a **socially responsible organization**.

BUSINESS

DISTILLERY/ETHANOL PLANT

STAG Infra delivers turnkey distillery solutions with a strong focus on safety, environmental compliance, and production efficiency—meeting the rising demands of the beverage and biofuel industries. From concept to commissioning, we ensure seamless project execution tailored to client needs.

INDUSTRIAL PLANT

STAG Infra specializes in the construction of industrial plants, handling every phase from foundational work to the installation of complex machinery and operational systems. Our experienced team ensures that each project is completed with a steadfast focus on safety, efficiency and all industry regulations.

HOTEL & HOSPITALITY

STAG Infra delivers high-quality construction for Hotels, Water Parks, Residential Buildings, and Hospitals. Our expertise ensures innovative design, structural integrity, and timely execution—creating vibrant, functional spaces that blend comfort, safety, and modern aesthetics to enhance everyday living and guest experiences.

BUSINESS

LANDSCAPING & DEVELOPMENT

Prime land available for immediate development, ideal for both residential and commercial projects. Secure your future with a strategically located plot ready for construction. Don't miss this opportunity to invest in a high-potential growth area.

HIGHWAYS & BRIDGES

We contribute to India's core transport infrastructure by delivering high-quality highways and bridges that enhance connectivity, reduce travel time, and support regional development. Our projects are built with a focus on safety, sustainability, and long-term economic impact.

CANAL PROJECTS

STAG Infra specializes in canal construction for efficient water management and irrigation. Our canals support agriculture, reduce water scarcity, and aid flood control. Built with precision and durability, they ensure long-term reliability and sustainable water distribution for rural and urban needs.

BUSINESS

Water Supply Project

STAG Infra provides water infrastructure solutions including water tanks, pipelines, and pumping stations, prioritizing sustainability for reliable water supply and efficient management.

WTP & STP Management

Stag Infra specializes in designing, constructing, operating and maintaining WTP and STP. We deliver sustainable, efficient, and cost-effective solutions to ensure a clean water supply and effective wastewater management.

Multi-Modal Logistic Park

Stag Infra develops state-of-the-art Multi-Modal Logistic Parks, integrating road, rail, and warehousing solutions to streamline cargo movement, reduce logistics costs, and boost supply chain efficiency across India.

Operations & Maintenance

Stag Infra offers reliable Operations & Maintenance services, ensuring optimal performance and longevity of infrastructure assets through proactive management and a commitment to quality.
